

COVID-19 Precaution Statement

Dear Colleagues

We look forward to welcoming you to Cheltenham on the 9th and 10th July 2020. We have an exciting and varied programme planned over two days and although you will be aware that a novel [Coronavirus](#) strain (COVID-19) has emerged in recent weeks, it is 'business as usual' regarding final preparations.

Delegates can be reassured that the UK Government along with international colleagues and the World Health Organisation have been working in close collaboration to monitor the situation in China and around the world. The UK's public health measures are world-leading and are always well prepared for situations such as these.

The organisers of the Conference will adhere to the advice of the UK Government and World Health Organisation and will update delegates should the situation evolve.

Attendees from outside the UK should make themselves aware of advice from the UK Government, keep up to date, and follow the advice.

UK Government Foreign & Commonwealth Office - <https://www.gov.uk/government/topical-events/coronavirus-covid-19-uk-government-response>

If you have any further questions, please do not hesitate to contact the conference team by email at bgcs@in-conference.org.uk

We will continue to monitor the situation and will provide further updates if the situation changes.

Thank you and we look forward to welcoming you to Cheltenham.
