

# GYNAECOLOGICAL STUDY DAY

**20th  
November**

**HYBRID  
EVENT**

## OVERVIEW:

An educational programme, providing insight into Gynaecological Cancers, to include Ovarian, Endometrial and Cervical disease groups. The program will cover the patient pathway and innovative treatment options available to our patients. The day will provide delegates the opportunity to network.

## INTENDED AUDIENCE:

Suitable for all Nurses, Allied Health Professionals, Specialist Nurses, Junior Doctors and Student Nurses with an interest or involved in the care of patients with Gynaecological Cancers.

## WHAT TO EXPECT:

An insight into Gynaecological Cancers, including Ovarian, Endometrial and Cervical, the pathway and innovative treatments

## ATTENDEE FEE:

£50 Onsite Attendance (General Admission)

£65 Virtual Attendance (General Admission)
